EL is "innocent" of the conviction charges. EL is innocent of violating any order of this Court, including with the (about) 12-26-2013 "Cermak letter," as the Court ruled, lines 23-26 of page 2 to line 1 at page 3 of EL's Motion to Reconsider.<sup>①</sup> EL hereby squarely puts on the record and

at issue herein the following cases, including all the therein incorporated cases in toto,

a. *Lighter v. U.S. Grand Juries, NDCA, et al.*, CA9 appeal No. 13-15876, and its case below;

b. *U.S. v. Cermak, et al.*, CA9 appeal No. 12-36020, and its case below; and

EL hereby respectfully requests this Court:

1. Continue the 12-9-2013 hearing for 60 days to allow further briefing;
2. Consider EL's felony confession(s), presented in said 3 appeals and the therein incorporated cases including in Grand Jury Case No. 1 located in the misc. file herein, and forward same to one or more U.S. Grand Juries now, recognizing that EL is not asking same to prosecute others;
3. Consider sanctions against U.S. Probation for concealing the important facets of the above, and possible violation of 18 USC §§ 4 and 1503; and
4. The 11-18-2013 and 11-20-2013 letters from EL to U.S. Probation, which EL also sent to this Court on 11-28-2013, be also considered.

If this Court will not grant said continuance, EL seeks new counsel and resigns pro se

<sup>①</sup> see also 1-18-2013 EL Declaration in *Lighter v. U.S. Grand Juries* (item "a." above) at Dkt #5 thereof (the case below)

DECLARATION

I, Eric Lighter, declare under penalty of perjury that I believe that said confession(s) as supported by the herein expanded record shows that I did not and could not receive a fair indictment and trial, hence the need for the instant brief. I have not seen Dr. Greene's final report.
